

FAASTeam presents:

ADS-B and Me

Come learn about ADS-B / NextGen Aviation and how you can prepare yourself and your aircraft to take advantage of this important enhancement to our national airspace that is now operational. This is avionics news you can use from experts. In this session, you'll learn what's behind ADS-B – why it matters and how it works. You'll learn about . The session addresses various myths about the topic. A major focus of the session is to cover practical things you should consider as you think about how to equip your aircraft to comply with the FAA Mandate for ADS-B equipage.

Directions: From US Hwy 49 take J.M. Tatum Industrial Drive past the railroad tracks to Academy Drive. Turn right onto Academy Drive and the Fire and Police Training Center will be on the right next to the fighter jets on static display. From US Hwy 98 take R.L. Runnels Industrial drive North to J.M. Tatum Industrial Drive. Turn right on J.M. Tatum Industrial Drive and go past the railroad tracks to Academy Drive. Turn right onto Academy Drive and the Fire and Police Training Center will be on the right next to the fighter jets on static display. Fly in attendees should come to the Southeastern Aviation FBO and they will bring you to the meeting room.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
